

### Cold Water: Gas Engine

The **CPS Series** is a rugged, gas powered cold water wash skid. The low rpm belt drive pump runs cooler to ensure long life and is ideal for use when drawing water from a bulk tank. The heavy duty powder coated, Pro-Tect-It frame prevents damage to components; allowing you to take it, worry free, through the roughest terrain. The industrial grade gasoline engine allows you the flexibility of providing cleaning power – whether it is out in the field cleaning equipment or cleaning use at any facility. Flexible mounting options, you choose your level of portability: mount on a trailer or tank skid, on wheels, or stationary.

<b>PRESSURE</b>	5000psi
<b>FLOW CAPACITY</b>	4.5gpm
<b>POWER / ENGINE</b>	627cc Vanguard V-twin Electric start, low oil shutdown, pressure lubrication, oil filter
<b>ENGINE FUEL / CAPACITY</b>	Gasoline / 4 gal
<b>POWER DRIVE</b>	V-Belt drive, stainless belt guard
<b>CONTROL PANEL</b>	Panel mounted, high-pressure water outlet and nozzle grommets
<b>PUMP</b>	General Pump
<b>PRESSURE CONTROL</b>	Pressure regulating unloader, thermal relief valve
<b>PRESSURE HOSE</b>	3/8" x 50' / 5800 psi rated
<b>GUN / WAND</b>	48" molded insulator wand with quick coupler
<b>NOZZLE</b>	#4 ( 15°, 25°, 40° )
<b>SOAP INJECTION</b>	Optional downstream soap injector
<b>FRAME CONSTRUCTION</b>	Heavy gauge steel, powder coated, Pro-Tect-It frame
<b>NET WEIGHT/DIMENSIONS</b>	210#, 32"l x 24"w x 27"h
<b>WHEELS</b>	Optional wheel kit available

\*Specifications subject to change without notification and may vary due to ambient conditions – Battery not included

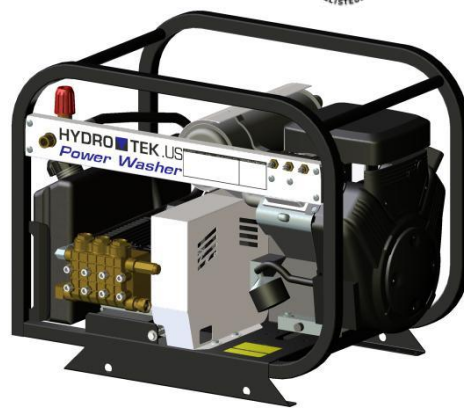

### Featuring:

- ✓ **Engine:** Electric start, twin cylinder, smooth engine with pressure lubrication with low oil shutdown
- ✓ **Long Life Design:** Built with the same chassis design & components as our proven hot water skids
- ✓ **EZ Align™:** Hydro Tek's belt tensioning system makes belt adjustments easy, with a single bolt, and has an integrated self aligning mono rail pump mount

### Options...

Downstream soap injection kit (AC350), Hour meter (AM512) Stainless frame upgrade (HS221), Hose reel-pivoting (AR425), Wheel kit (AHS13), Mobile wash trailer (T185CP), Tank skid (T185TW, T270TW), Heat Link™ hot water box (CPHL)

Optional wheel kit available

Optional transport trailer or tank skids include inlet hose, stainless inlet and high pressure hose reels, bulk water tank and is factory assembled.
